SIGN UP

If you had an account on the previous registration platform, click on **“Forgot your password?”** and enter your email address. You will recover the Vehicles and Individuals for which you were the Manager in previous years.

If some Individuals are missing, please contact the Competitors Service.

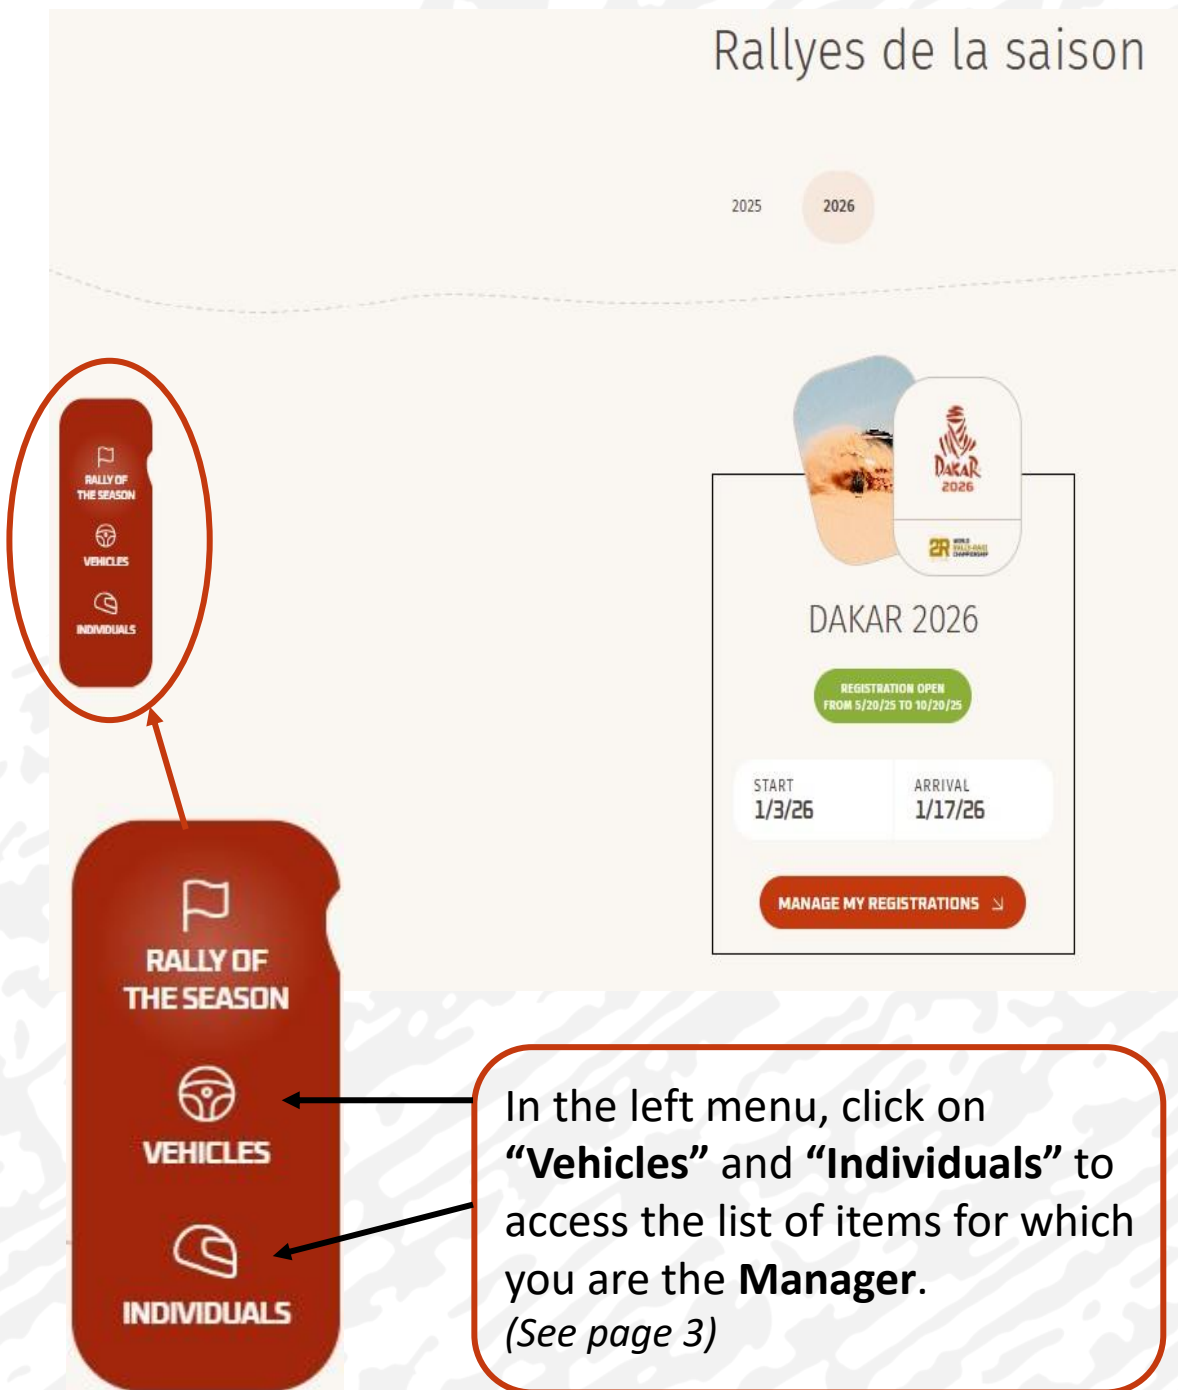

If you didn't have an account on the previous registration platform, or if you want to create a new one, click on **“Sign up.”**

STEP 2

Create the vehicles and individuals you manage and upload their documents.

If you had a Manager account on the previous platform, your vehicles and individuals will be automatically recovered.

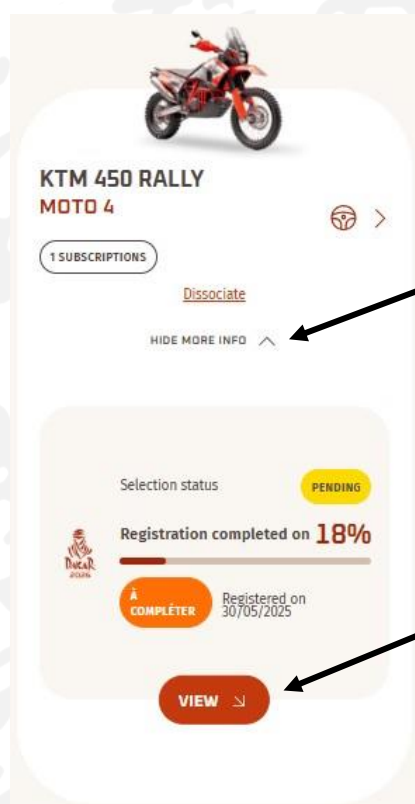

HOME PAGE

VEHICLES AND INDIVIDUALS PAGES

On these pages, you can **view, add, edit, or delete** the **Vehicles** and **Individuals** whose registrations you manage, as well as their **information and documents**.

If they are registered for rallies, you can click on **“Show more info”** to view the list of their **registrations** to rallies.

Then click on **“View”** to see the **details of these registrations**.
(See page 6)

STEP 3

Register your vehicles and their crew for rallies.

All related documents (vehicle registration document, passport, driver's license, etc.) will then be automatically added to your registration file.

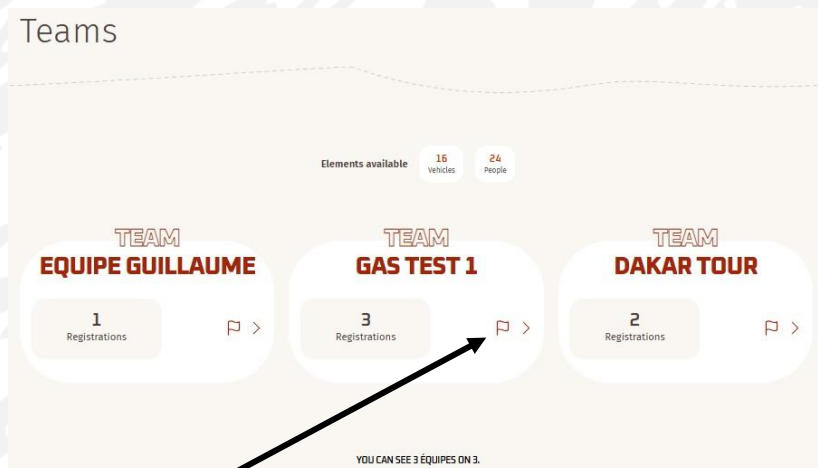

RALLIES OF THE SEASON PAGE

View **all rallies** for which registration is open or for which you already have a registration File.

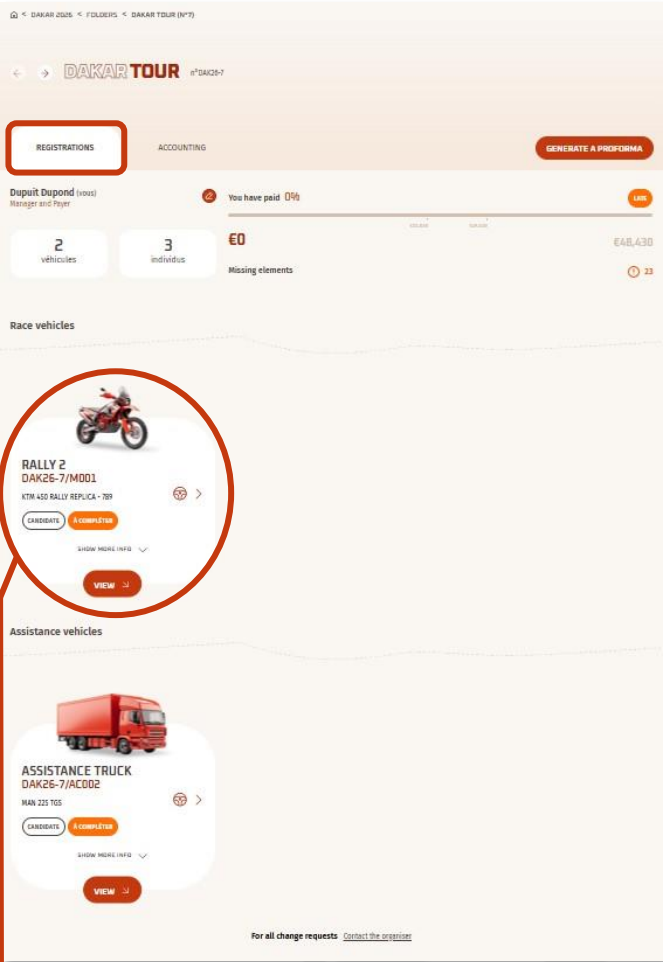

Click on **“Manage my registrations”** to view all the **Teams** you have registered for this rally or to register a new one.

TEAMS PAGE

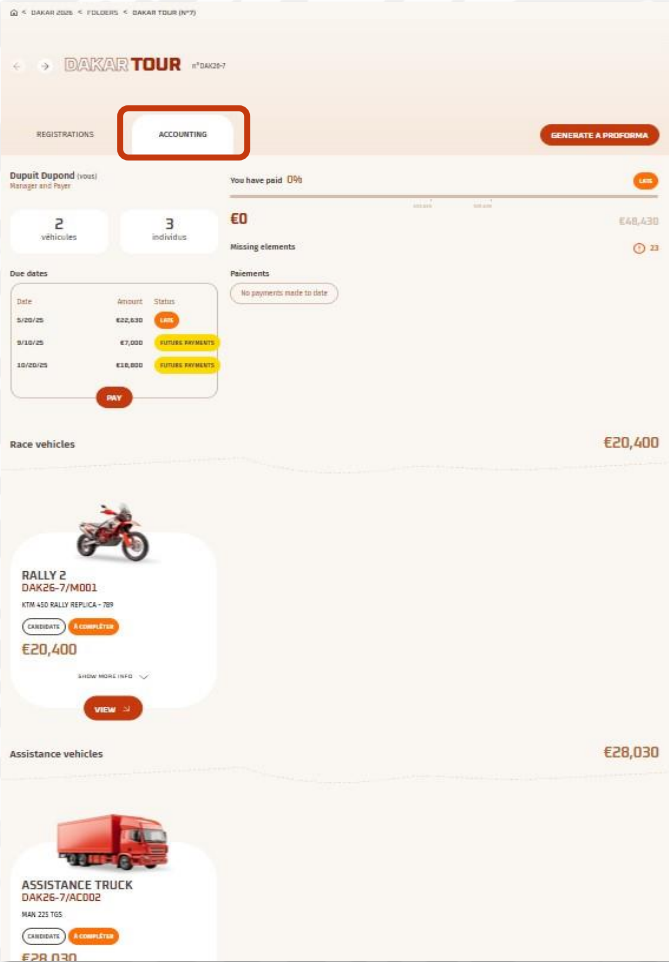

Click on to see the **details of a registration file**.
(1 Team = 1 File)
(See page 5)
